- ❖ The Parish Council Chair or Vice-Chair act as ex-officio member on all Committees and Working/Steering Groups of the Council.
- ❖ The Chair's Committee meets on an ad hoc basis at the discretion of the Council Chair to deal with matters that require an urgent decision for which it would be inappropriate to call a special meeting of the Council. Membership of this committee comprises of Parish Council Chair and Vice-Chair along with other members who are Committee and Working/Steering Group Chairs. The Chair may invite any member (with a specialist knowledge in the agenda item) to participate and vote at that meeting.
- ❖ Working/Steering Groups are not committees of the Parish Council but information gathering groups set up to report back to either the full Parish Council or founding committee for any decision.
- ❖ Parishioners with a special interest in a particular area have been co-opted as advisors (without voting rights) onto the following Working Groups: Award Land, Cemetery & Allotments and War Memorial Recreation Ground Advisory Committee.

Parishioner Volunteers appointed to Working Groups of the Parish Council:

Award Land

Tony Wyatt

Cemetery & Allotments

Lindsay Lawrence
